January 25, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Muskegon Covenant Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mia Clark-Grissom or Amanda Acker for assistance.

The AER is available for you to review electronically by visiting the following web site **<https://bit.ly/3h3vDWv>**, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.

Muskegon Covenant Academy has not been given one of these labels.

Muskegon Covenant Academy is now in its eighth year of operation. MCA is an alternative school offering a blended instruction curriculum model. Our students use an online curriculum, StrongMind, and highly-qualified content area teachers to deliver the Michigan Merit Curriculum (MMC) to our students. One change that MCA has implemented since the 20-21 school year, in addition to a new curriculum, is the training of its teachers in how to best provide hybrid instruction, including more direct instruction and less of a reliance on the computer as a big component of the delivery of instruction. One of our key challenges is improving graduation rates. MCA offers its educational sessions in the morning to allow for more focused and targeted instruction in the afternoon. Data is used to identify those students who are found to have a gap in learning and highly qualified teachers provided direct, targeted instruction. MCA also has a Learning Lab that is available during afternoon hours to support all classes and provide educational support to those students who have barriers that don't allow them to attend classes during the morning session. These barriers may include work schedules or daycare issues.

State law requires that we also report additional information.

1. Muskegon Covenant Academy is a year-round school that has an open enrollment policy. The enrollment process involves completing an enrollment packet, a hearty orientation process in which the student and family are educated on the expectations of all students, and other policies and procedures associated with being a student at MCA.
2. Muskegon Covenant Academy went through an Academic Revamp since the 20-21 school year as a part of its school improvement plan. Phase one of this Revamp included the implementation of a new curriculum, StrongMinds, and an instructional model that focuses on blended/hybrid learning with content delivered by our highly qualified teachers and are moving away from the computer-only driven mode of instruction and learning. Phase two is being planned for roll-out. This phase will include more structured time in the classroom and moving from students taking one class to taking two classes instead. We believe that students

need structure and variety and Phase Two allows this to take place. Our goal is to have more students attending and making progress towards graduation and post-secondary life.

3. Muskegon Covenant Academy provides at-risk, dropout youth ages 16-22, the opportunity to earn a high school diploma, improve their life skills, and continue on to post-secondary education or employment. MCA focuses on youth who are dropouts, homeless, living in poverty, teen parents or expectant parents, and those that have been disenfranchised. Our school works to break down barriers so students have the opportunity to achieve their high school diploma. We offer a blended learning program and flexible, year-round classes that enables us to provide an individualized education for each student which allows them to work at their own pace. Our staff works towards preventing poverty, underachievement, and homelessness for our students, while offering hope, encouragement, and greater opportunities for success.
4. MCA follows a blended/hybrid instructional model. Our students use an online curriculum, StrongMind, and highly-qualified content area teachers to deliver the Michigan Merit Curriculum (MMC) to our students. Copies of this curriculum can be obtained by contacting Amanda Acker, Director of Academic Progress.
5. Results from the NWEA Assessment for the previous two years are as follows:

<b>NWEA Math Average RIT Score</b>		
<b>Winter 2019-20</b>	<b>Fall 2020-21</b>	<b>Winter 2020-21</b>
207	215	212
<b>NWEA Reading Average RIT Score</b>		
<b>Winter 2019-20</b>	<b>Fall 2020-21</b>	<b>Winter 2020-21</b>

---

203	207	213
-----	-----	-----

6. Muskegon Covenant Academy is working to implement traditional parent-teacher conferences. Currently, teachers meet with students for one-on-one academic advising sessions which focus on academic progress, progress towards graduation and planning for post-secondary opportunities.
7. Muskegon Covenant Academy currently does not have any students that are a part of a dual enrollment program or Advanced Placement/International Baccalaureate classes.

In closing, I am proud of the accomplishments of our students and graduates and am encouraged with all of the hard work and dedication of our staff as they work to further the educational goals of our students. We continue to build and implement the best people and systems to graduate students that are successful and contributing citizens of our community.

Sincerely,

*Mia Clark-Grissom*

Mia Clark-Grissom

## NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	86.9	2.25	97	0.97
	Reading	85.4	2.57	98	1.04
8	Math	81.9	2.48	95	1.79
	Reading	83.3	2.41	91	3.97

*The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.*

Muskegon Covenant Academy is now in its eighth year of operation. MCA is an alternative school offering a blended instruction curriculum model. Our students use an online curriculum, StrongMind, and highly-qualified content area teachers to deliver the Michigan Merit Curriculum (MMC) to our students. One change that MCA has implemented since the 20-21 school year, in addition to a new curriculum, is the training of its teachers in how to best provide hybrid instruction, including more direct instruction and less of a reliance on the computer as a big component of the delivery of instruction. One of our key challenges is improving graduation rates. MCA offers its educational sessions in the morning to allow for more focused and targeted instruction in the afternoon. Data is used to identify those students who are found to have a gap in learning and highly qualified teachers provided direct, targeted instruction. MCA also has a Learning Lab that is available during afternoon hours to support all classes and provide educational support to those students who have barriers that don't allow them to attend classes during the morning session. These barriers may include work schedules or daycare issues.

State law requires that we also report additional information.

1. Muskegon Covenant Academy is a year-round school that has an open enrollment policy. The enrollment process involves completing an enrollment packet, a hearty orientation process in which the student and family are educated on the expectations of all students, and other policies and procedures associated with being a student at MCA.
2. Muskegon Covenant Academy went through an Academic Revamp since the 20-21 school year as a part of its school improvement plan. Phase one of this Revamp included the implementation of a new curriculum, StrongMinds, and an instructional model that focuses on blended/hybrid learning with content delivered by our highly qualified teachers and are moving away from the computer-only driven mode of instruction and learning. Phase two is being planned for roll-out. This phase will include more structured time in the classroom and moving from students taking one class to taking two classes instead. We believe that students
